

## PI -2.2 Annual Procurement Report of Previous year 2024-25

### Format for Annual Procurement Report - PI 2 (2) under DLI -5

ULB Name: Tiruchirappalli City Corporation

Reporting Period:FY 2024-25

#### 1. Introduction (brief overview of the procurement activities during the reporting period)

Tiruchirappalli City Corporation is responsible for providing all the necessary civic infrastructures such as roads, drains, culverts, utilities such as water supply, underground sewerage systems (UGSS), sewage treatment plants (STPs), public buildings, markets, community halls, parks, playgrounds, and open spaces. These works are carried out under various Government of India and State Government schemes as well as through the Corporation's own funds and the associated procurement activities cover goods, works, and consultancy services. Major projects are being implemented under Government schemes such as AMRUT, Smart Cities Mission, SBM, etc.
